- ❖ **Now on Facebook - Are you a member of facebook?
Cisco Instructors and Cisco Students are invited to join:**

- 1. "Cisco Networking Academy - Cambodia + Laos" Group in Facebook**

Provide you with every updates of Cisco Networking Academy program in Cambodia, and allow you to connect with many Cisco instructors and Cisco students in Cambodia in order to share knowledge for development.

To join this group, please go to

<http://www.facebook.com/group.php?gid=6196294167>

- 2. "Global Cisco Networking Academy" Facebook Group**

Cisco Networking Academy has developed a Facebook page with more than 20,000 active users. Students, instructors, and alumni are connecting through this page to discuss courses and certification exams and share ideas and resources with the community and Cisco. We invite you to visit our Facebook page to network with members of our global community and share your thoughts on the program. The page is moderated by Cisco and three public ambassadors selected from the community.

To join this group, please go to
